1. Apologies were received from Robert Wall.
2. Declaration of Interest None.
3. 173946 Malvern View Country Park, Stanford Bishop change of use of land for the siting of up to an additional 122 caravans, comprehensive redevelopment of the existing farm buildings and barns to provide indoor pool, gynasium, spa, owners lounge, office area, play barn etc;

After a full discussion, it was agreed that the following comments should be sent to Herefordshire Council :-

Unanimously oppose for the following reasons:- An additional 122 caravans would have a detrimental effect on the narrow country lane, leading to a bad junction on to the B4220. If additional caravans were permitted there would be more people on the carav an park than in the three parishes of Acton Beauchamp, Evesbatch and Stanford Bishop. Over-development of the site, in an area where new building is not allowed according to the Local Plan, the previous representations from the previous plan should be carried forward, there is no representations on the website at present. The impact on local houses. There is no political representation available at present; no District Councillor in place , could a decision be delayed until the new one has been elected.

The meeting closed at 8.40 p.m.
